(a) Notwithstanding any other law to the contrary, an additional class of licenses allowing the sale of wine at retail food stores is created. These licenses shall be known as "retail food store wine licenses" and shall be issued by the alcoholic beverage commission; provided, that licenses shall only be issued to a retail food store located in a county or municipality that has authorized the sale of wine at retail food stores by local option election pursuant to § 57-3-801 and has full time law enforcement through a police or sheriff's department. The commission shall begin issuing the retail food store wine licenses on July 1, 2016 and prior to that date no retail food store may sell wine; however, the commission shall accept applications from retail food stores in jurisdictions that have authorized the sale of wine at retail foods stores and begin processing such applications prior to that date. The retail food store wine license shall permit the licensee to receive, store, possess and sell wine at retail for consumption off the premises at the licensed retail food store subject to the restrictions in this part 8.

(b)

(1) Any person, partnership, limited liability company or corporation desiring to sell wine to patrons or customers, in sealed packages only, and not for consumption on the premises shall make application to the commission for a retail food store wine license, which application shall be in writing and verified, on forms herein authorized to be prescribed and furnished; and the commission may, subject to the restrictions of this part 8, issue such retailer's license. If the premises with respect to which the license is sought is owned by a person,

partnership, limited liability company or corporation not the applicant, the application shall include the name and address of the owner. If the ownership of the premises should change after a license is granted, the licensee shall, within ten (10) days after becoming aware of such change in ownership, notify the commission in writing of the name and address of the new owner.

(2)

(A) Any individual applicant applying for a retail food store wine license must be twenty-one (21) years of age or older and must not have been convicted of a felony subject to § 57-3-210(c).

(B) The commission may issue a retail food store wine license to a person, partnership, limited liability company or corporation that is registered to do business in the state of Tennessee regardless of the residence of the ownership of such entity . No holder of a retail food store wine license, nor any entity having any interest in such license greater than ten percent (10%) shall have any interest as partner or otherwise, either direct or indirect, in a business licensed to engage in the sale or distribution of alcoholic beverages, including wine and beer licensed under §§ 57-3-202, 57-3-203, 57-3-204, or 57-3-207. Nothing shall prohibit the holder of a retail food store wine license from having more than one (1) retail food store wine license.

(c) Any wine sold by the holder of a retail food store wine license shall not exceed an alcoholic content of eighteen percent (18%) by volume.

(d) Nothing in this part 8 is intended or shall be construed to modify the provisions of title 57 that provide for the separation and independence of the classes of licenses available to manufacturers, wholesalers or retailers of alcoholic beverages or beer in this state.

57-3-804.

Each applicant for a retail food store wine license shall pay to the commission a one-time, nonrefundable fee in the amount of four hundred dollars (\$400) when the application is submitted for review. A retail food store wine license under this section shall not be issued until the applicant shall have paid to the commission the annual license fee of two thousand dollars (\$2,000).

57-3-805.

The premises of a retail food store wine license may be located in a municipality or the unincorporated areas of a county; provided, that such county or municipality has approved sales of wine by retail food stores by local option election pursuant to § 57-3-801.

(b) The certificate must state:

The distance shall be measured from building to building using the outside wall of the confines of the retail food store to the outside wall of the confines of the establishment holding a license pursuant to § 57-3-204. If an establishment holding a license pursuant to § 57-3-204 does not give written permission as described in this subsection (e) then that establishment shall not sell additional items as provided in § 57-3-404(e) until the retail food store is allowed to sell wine. SECTION 24. Tennessee Code Annotated, Section 57-3-203, is amended by deleting subsection (i) in its entirety.

SECTION 27. Tennessee Code Annotated, Section 57-3-204(b) is amended by deleting the subsection in its entirety and substituting instead the following:

(b)

(1) Each applicant for a retail license shall pay to the commission a one-time, non-refundable fee in the amount of three hundred dollars (\$300) when the application is submitted for review. A retailer's license under this section shall not be issued until the applicant shall have paid to the commission the annual license fee of eight hundred fifty dollars (\$850).

(2) No retail license under this section may be issued to any individual:

(A) Who has not been a bona fide resident of the state of Tennessee during the two (2) year period immediately preceding the date upon which application is made to the commission or, with respect to renewal of any license issued pursuant to this § 57-3-204, who has not at any time been a resident of the state of Tennessee for at least ten (10) consecutive years;

(B) Who has been convicted of a felony under the laws of the state of Tennessee, any other state or the United States;

(D) Who is not twenty-one (21) years of age or older;

(E) Who has a beneficial interest, whether direct or indirect, in a manufacturer, distiller, rectifier, liquor wholesaler, winery, distributor, retail food store or farm winery selling alcoholic beverages that is licensed in the state of Tennessee, except that the spouse of an applicant for a retail license may own and hold a farm wine permit if the spouse does not hold a retailer's license issued under this section;

(F) Who, other than as a member of the governing body of a city or county, appoints or supervises any law enforcement officer, who is a law enforcement official or who is an employee of the commission;

(G) Who intends to carry on the business authorized by the license as the agent or on behalf of another;

(H) Who at the time of the time of application for renewal of any license issued under this section would not be eligible for the license upon a first application;

(I) Who is the holder of a valid existing license issued for the sale of wine in a retail food store under § 57-3-803, and amendments thereto;

(J) Who does not own the premises for which a license is sought, or does not, at the time of application, have a written and enforceable lease thereon;

(K) Whose spouse would be ineligible to receive a license under this act for any reason other than citizenship, residence requirements or age, except that this subdivision (b)(2)(K) shall not apply in determining eligibility for a renewal license; and

(L) Whose spouse has been convicted of a felony or other crime that would disqualify a person from licensure under this section and such felony or other crime was committed during the time that the spouse held a license under this section.

(3) The commission may, in its discretion, issue such a retail license to a corporation; provided, that no such license shall be issued to any corporation unless such corporation meets the following requirements:

(A) No retail license shall be issued to any corporation if any officer, director or stockholder owning any capital stock in the corporation, would be

ineligible to receive a retailer's license for any reason specified in subdivision (b)(2) above, if application for such retail license had been made by the officer, director or stockholder in their individual capacity;

(B) All of its capital stock must be owned by individuals who are residents of the state of Tennessee and either have been residents of the state for the two (2) years immediately preceding the date application is made to the commission or, with respect to renewal of any license issued pursuant to this § 57-3-204, who has at any time been a resident of the state of Tennessee for at least ten (10) consecutive years;

(4) It is the intent of the general assembly to distinguish between licenses authorized generally under title 57 and those specifically authorized under this Section 57-3-204. Because licenses granted under this section include the retail sale of liquor, spirits and high alcohol content beer which contain a higher alcohol content than those contained in wine or beer, as defined in Section 57-5-101(b), it is in the interest of the state of Tennessee to maintain a higher degree of oversight, control and accountability for individuals involved in the ownership, management and control of licensed retail premises. For these reasons, it is in the best interest of the health, safety and welfare of

the state of Tennessee to require all licensees to be residents of the state of Tennessee as provided herein and the commission is authorized and instructed to prescribe such inspection, reporting and educational programs as it shall deem necessary or appropriate to insure that the laws, rules and regulations governing such licensees are observed.

SECTION 28. Tennessee Code Annotated, Section 57-3-406(a) is amended by deleting the subsection in its entirety and substituting instead the following:

(a)

(1) Except for retailers licensed under § 57-3-204 or § 57-3-803, no person, corporation or other entity shall, directly or indirectly, operate any licensed retail establishment selling alcoholic spirituous beverages for off premises consumption in this state. A landlord shall be deemed to have an indirect interest in such a retail business when the lease agreement is based upon a percentage of profits or any other factor based upon sales of alcoholic beverages by the tenant as distinguished from being simply an interest in land for a period of time at a definite rate.

(2) Except as provided in this subsection (a), nothing shall prohibit the holder of a retail license from having more than one (1) retail license.

(3) In any municipality or county in which the issuance of two (2) or more retail licenses have been authorized under § 57-3-208(c), no retail licensee shall hold more than fifty percent (50%) of the licenses authorized for issuance in such municipality or county.

retail licensee"), if the applicant holds one (1) or more retail licenses issued under § 57-3-204, unless:

(A) The commission receives written consent from such existing licensee;

or

(B) The application is submitted in connection with the applicant's purchase of the business or assets of an existing retail licensee.

SECTION 29. Tennessee Code Annotated, Section 57-3-404(h)(2), is amended by adding the following as a new subdivision thereto:

(F) A supplier may provide, through licensed wholesalers, products for tasting purposes by a retail licensee.

SECTION 30. Tennessee Code Annotated, Title 57, Chapter 3, is amended by adding the following sections as a new part thereto:
